

3D-Logo, XL, Indoor

"The Travelling Logo" in original size

Dimensions: 2400 x 2400 x 330 mm (for indoor use only)

Measurements in mm

Function

Brand presentation

Uses

For display in entry halls, representative rooms and events

Important note and precautions

- Make certain the 3D-Logo is always mounted upright and facing forward correctly (showing ascending diagonal from bottom left to top right). Always place the 3D-Logo in suitable surroundings that correspond to its significance and size.
- Please take precautions to ensure that the 3D-Logo (XL and L) stands firmly on a level surface. The 3D-Logo should be kept under supervision, especially if children are playing nearby.
- Make sure that the 3D-Logo (XL and L) does not block any marked escape routes. The same applies to customer areas, passage-ways and any other circulation space which may become crowded.

Material

19 mm MDF board (average density fibreboard, B1 fire safety standards), consisting of 5 parts:
2-part powder-coated steel

Paint

Deutsche Bank Blue – special-formula gloss paint

Dimensions
